ABOUT ME

A Frontend Developer Transforming Concepts into Seamless User Experiences using HTML, CSS, TAILWIND, JAVASCRIPT, REACT and NEXT.JS. Experienced in social media managing and audience engagement with a good background as a personal assistant with exceptional organizational skills and attention to detail, making me suited to develop user-friendly and intuitive web interfaces

EDUCATION

2023 – present

INFORMATION AND TECHNOLOGY

NATIONAL OPEN UNIVERSITY OF NIGERIA

EXPERIENCE

2025 – present | Frontend Developer

Assigned a project via detailed video briefing, quickly grasping requirements and delivering a polished product independently.

DevLeon Tech

- ♦ Took full ownership of building a responsive web app.
- ♦ Live: <https://certisfy.netlify.app>
- ♦ Used HTML5, CSS3, JavaScript and React.js to build a smooth, user-friendly interface.
